

Annual Budget Regulation

7210-10 | Annual Budget Regulation

Date Approved: April 24 2015

Date Amended: August 22 2016

In preparing the annual budget, School District No. 52 will:

1. Provide opportunities for public input from all groups concerned with the district operations.
2. Provide an opportunity for district partner groups to meet individually with the Board of Education.
3. Seek input from all district employees.
4. Provide feedback to all groups providing input.
5. Evaluate the impact of all proposed budget decisions on the district's ability to enhance student achievement and meet district goals.
6. Provide the Board of Education with options to consider in finalizing the budget.
