7410 | Audit Services Policy

Date Approved: September 09 2014

Date Amended: December 12 2017

POLICY

The Board shall authorize independent auditing services for the school district, with an annual renewable term not to exceed five (5) years.

The annual renewal of a particular independent audit firm will depend upon an evaluation of the auditor's services. For clarity, the annual renewal is not dependent on the issuing of an unqualified audit opinion by the auditor.

A tender bid process will be used to select an independent audit firm. The renewal of the tender award to the existing auditors will take into account the need to ensure the independence of the auditor.
