

District Parent Advisory Council Policy

6250 | District Parent Advisory Council Policy

Date Approved:

Date Amended: October 10 2017

The Board has established the District Parents' Advisory Council in accordance with Section 8.4(2) of the School Act, in order to provide better communication between the school district and families and to advise the Board on matters relating to education in the school district.

The District Parents' Advisory Council shall operate within the terms listed in the School Act, and as outlined in school district regulations.
