To this end:

1. all employees shall be informed about the emergency plans and procedures to be followed at their work site, to ensure their safety and the safety of others;
2. students and employees shall practice the emergency plans and procedures implemented at their school or work site;
3. parents shall be advised of the emergency procedures developed at the school(s) where their child(ren) are attending and/or when being transported; and
4. materials and supplies kept on hand to support school emergency procedures shall be in good order.
