Field Trip - Budget Regulation

1610-15 | Field Trip - Budget Regulation

Date Approved: August 26 2015
Date Amended: December 19 2024

Funds may be assessed against participants or contributed by school organizations for voluntary sports, music and other field trips.

Budgeted Funding of Curricular Field Trips

In recognition of the value of well-planned curricular field trips, funds are budgeted for each school in Prince Rupert and Port Edward to share the transportation and other costs of curricular trips organized in accordance with the Board policies and regulations.

Particulars of field trips during school hours involving a cost to students are to be submitted to the Superintendent of Schools for consideration sufficiently in advance of the event to allow for reference to the Board if deemed necessary.

Budgeted Funding of Extracurricular Field Trips

In recognition of the value of well-planned extracurricular field trips, funds are budgeted for each school in Prince Rupert and Port Edward to share the transportation and other costs of extracurricular trips organized in accordance with the Board policies and regulations. These funds will normally be used to support students participating in drama, music and sports activities.
