

Non-Certified Replacement Teachers

2130-10 | Non-Certified Replacement Teachers

Date Approved: May 08 2007

Date Amended: February 14 2017

In order to provide a continuous, well-directed educational program for students, the district may hire the best available non-certified replacement teachers in the absence or shortage of certified Teachers Teaching-on-Call.

Non-certified replacement teachers shall be paid a daily rate as set out below, which includes 4% vacation pay, and which will be pro-rated for assignments of less than a full day. This rate of pay shall be reviewed from time to time.

Non-certified replacement teachers must complete a district training program and are expected to conduct themselves in a professional manner, observing confidentiality in matters concerning students, other District staff, and schools.

Effective Date	Daily Rate
March 1, 2015	\$165
February 1, 2017	\$167
September 1, 2017	\$169
