

Non-Certified Replacement Teachers

2130-10 | Non-Certified Replacement Teachers

Date Approved: May 08 2007

Date Amended: August 24 2018

In order to provide a continuous, well-directed educational program for students, the district may hire the best available non-certified replacement teachers in the absence or shortage of certified Teachers Teaching-on-Call.

Non-certified replacement teachers shall be paid a daily rate in accordance with the teacher collective agreement.

Non-certified replacement teachers must complete a district training program and are expected to conduct themselves in a professional manner, observing confidentiality in matters concerning students, other District staff, and schools.

Non-certified replacement teachers are not eligible to fill vacancies longer than 20 days unless they have applied for, and received, a Letter of Permission from the Teacher Regulation Branch.
