

Release Time of Staff to Act as Resource Personnel Policy

2340 | Release Time of Staff to Act as Resource Personnel Policy

Date Approved: March 03 2015

Date Amended: May 10 2016

POLICY

The Board approves the release for limited periods of time with no cost to the Board, except of salary and benefits, of school or district personnel who, because of some special competence, are requested to act as speakers or consultants at educational conventions or conferences.

For such purposes, the Superintendent is authorized to approve limited absences which, in the view of the Superintendent, will not interfere seriously with the duties of the person involved.
