

Travel Costs for School Events

1610-50 | Travel Costs for School Events

Date Approved: March 02 2015

Date Amended:

1. Funds may be assessed against participants or contributed by school organizations for voluntary sports, music and field trips in accordance with other policies of the Board.
2. Particulars of field trips during school hours involving a cost to students are to be submitted to the Superintendent of Schools for consideration sufficiently in advance of the event to allow for reference to the Board if deemed necessary.
