

Vision, Mission and Foundational Principles Policy

6110 | Vision, Mission and Foundational Principles Policy

Date Approved: February 09 2016

Date Amended:

The Board will develop and maintain the following documents:

1. A long-term vision statement.
2. An aspirational mission statement.
3. A number of foundational principles.

These documents must be consistent with the mandate of the BC Public School System.

In performing its duties, the Board will make decisions and set policies that are consistent with the vision statement, mission statement and foundational principles.
